1st Grade

Statistical Guide -2017/18
by Adam Morehouse

This is a statistical guide for matches played in the Australian Capital Territory 1st Grade Competition from 1922/23 until 2017/18. It contains statistics based on matches that have been published for the following competitions:

FTCA Competition
FCTCA A Grade Competition
ACTCA A Grade Competition
ACTCA 1st Grade Competition
Tooheys Country Special Limited Over Competition
Konica-Minolta Cup
John Gallop Cup

It does not include matches played in the Country Cup competition as they are not matches run by the ACT Cricket Association.

This guide is correct at the time of publication. There are many matches where scorecards or part of scorecards were not published or have not seen the light of day. These matches therefore have not been included.

This guide has been designed for use by the media, selectors and others connected with ACT Cricket. No part of this guide can be reproduced, copied or used in any other publication without the prior consent of the author, Adam Morehouse.
